

Stay ahead of the curve.

LEARN HOW TO MAXIMIZE YOUR IGT PRODUCTS.

Ensuring you can effectively use all IGT products to their full potential is important to us. That's why we offer comprehensive training solutions that meet your needs.

Our team of professional trainers has crafted a variety of modules and classes to give you the skills to get the job done right the first time.

The IGT Learning Center is your online portal to more than 70 courses covering every aspect of machine and system knowledge, from general overviews to detailed configuration and industry best practices.

TRAINING OPTIONS

Whether you need online or traditional classroom training, IGT has a solution to help you stay ahead of the curve.

- **Self-Paced E-Learning**

Convenient, pre-recorded modules available on-demand.

- **Live E-Learning**

Online training in a virtual classroom with an instructor.

- **Monthly Webinar Series**

Monthly offerings covering a variety of topics and technical discussions.

- **Instructor-Led Classroom Training**

Traditional live classroom training with an instructor on-site or at IGT.

- **Customized Training**

IGT Professional Services can create custom training solutions to meet your unique needs.

TRAINING DOCUMENTATION

A variety of machine and system documentation is available online.

- **IGT Knowledge Base**

Online documentation warehouse with robust search features for quick access to information.

- **IGT Learning Center Marketplace**

On-demand ordering of hard copy training guides and quick-reference materials.
