

# IGT EZ Pay<sup>®</sup> Ticketing Systems

Proven to deliver player convenience.

## INCREASE PLAY TIME AND REDUCE COSTS.

For the cashless gaming experience your players have come to expect, the ticketing system that revolutionized the industry delivers every time.

The IGT *EZ Pay*<sup>®</sup> ticketing system helps streamline service on the floor, which means your operation runs more smoothly and your players are more satisfied. Powerful marketing tools mean you can attract new players, reward valuable customers and package your entertainment options. All while enhancing the player gaming experience and decreasing operational costs.

## BENEFITS

- Achieve greater profitability with the first and best ticketing solution from the leaders in cashless technology
- Decrease operating costs and reduce employees' currency-handling burden with automated cashing
- Enhance your casino marketing promotions with non-cashable Promo Tickets
- Improve customer service with mobile cashing – validate and pay tickets anywhere on your floor
- Increase play time with little or no downtime for machine refills and jackpot payouts
- Supports the multi-denomination features of popular multi-line, multi-hand game themes

More than 500 installations worldwide.

## FEATURES

- Offered in a one-wire or two-wire configuration to meet your casino's specific ticketing and accounting needs
- Interfaces to patron management systems link Promo Tickets with players club cards
- Print ticket batches on demand and securely send out tickets to offsite printing vendors
- Batched soft count using multi-scan ticket devices
- Enhanced data collection and meter reporting to help you meet regulatory and audit requirements
- Support for multiple languages and currencies
- Easy-to-use cashier client with task-based checklists and localized *Java*<sup>™</sup> thin client technology

Increase player convenience and your bottom line.
