

IGT Rebates & Commissions Systems

Bring them in.

INCREASE THE PROFITABILITY OF YOUR TABLE GAME JUNKET PROGRAMS.

Junket promoters are an effective way to bring more table games players into your property. Using IGT Rebates & Commissions, you can effectively incentivize, manage and develop these critical extensions of your marketing program.

Flexible program configuration options and detailed tracking of turnover and loss combine to provide more accurate calculation of commissions and rebate awards. Add robust reporting and administration tools, and you gain an all-inclusive solution that increases efficiency and improves the management and profitability of your table game junket programs.

BENEFITS

- Streamline management of programs, promoters and agents
- Accurately track turnover and loss for precise calculation of commissions and rebates
- Attract promoters with comprehensive tracking, from configuration through settlements
- Increase efficiency and reduce operational costs
- Distinguish between specific groups or individual players

FEATURES

- Award commissions based on amount wagered or upon actual win/loss
- Calculate turnover by chip transaction, player rating or table game
- Provide rebates to players based on amount lost
- Comp promoter and player expenses, such as travel, accommodations and food
- Create group junkets or personal programs for individual players
- Save program templates for quick configuration of future offerings
- Define approval levels for various program components, including tax, settlement, override comp limits and comp voids
- Integrates with IGT Patron Management, IGT Cage & Table Accounting and IGT Table Manager for streamlined administration of player ratings, comps, chipsets, denoms and transactions

IGT Rebates & Commissions Systems
