

## Flexibility for higher returns.

### MEETING THE NEEDS OF OPERATORS WORLDWIDE.

Drive your business with IGT *Casinolink*<sup>®</sup>. Supporting every facet of your gaming operation by linking all gaming devices into one comprehensive system for slots, tables, cage, marketing, account-based cashless, jackpots and Bonusing. This integrated yet modular design means you have the flexibility to implement solutions that are right for you.

With more than 65 customers operating in excess of 410 casinos in more than 30 countries, IGT *Casinolink* truly maintains a global presence. The solution is highly scalable whether in a single casino or centrally managed configuration of a large number of sites. When implemented in a multi-site environment, IGT *Casinolink* is proven to help you achieve overall corporate strategies while giving each individual property the ability to maintain operational independence.

IGT *Casinolink* is ready for the next generation of gaming devices and technologies. Gaming Standards Association (GSA) protocol compliance means you have the ability to respond to ever-changing business and market needs.
