

IGT Casinolink® Wallet Systems

Go cashless.

DELIVER AN ALL-IN-ONE CARD TO PLAYERS.

IGT *Casinolink*® Wallet offers an account-based wagering solution that enhances the player experience. Give your players the power to transfer funds using their players club card which can be accessed at any connected slot machine across your property or enterprise.

Players stay entertained while using a single card that meets all their gaming needs, and you reduce operational costs and streamline your operation.

With multi-site, multi-language and multi-currency support, IGT *Casinolink* Wallet is a scalable business solution that can be configured to meet your unique needs.

BENEFITS

- Enhance the player experience with a single card solution
- Increase play time
- Reduce or eliminate cash handling and associated fills and drops
- Feature-rich audit and reporting package

FEATURES

- Support for promotional and cashable credits
- Highest levels of security and encryption for maximum data protection
- Funds transfer at the cage or game via PIN-protected transaction

Flexible solution that meets the needs of cashless jurisdictions.
