

IGT Tournament Manager

Systems

Redefine the tournament experience.

INCREASE PLAYER EXCITEMENT AND STREAMLINE YOUR OPERATIONS.

Redefine the tournament experience at your property with IGT Tournament Manager.

Integrated IGT tournament game themes, *Multi-Layer Display™* (MLD®) technology and exciting real-time scoring capabilities combine to enhance the player experience and increase loyalty.

By using the system's robust administration features, you can easily configure your events by creating single or multi-day tournaments with multiple sessions and phases.

Labor is significantly reduced and customer service also improves with the option to use a wireless tablet to start and control the entire tournament.

And with the ability to manage multiple leader boards and to customize their displays, you can brand tournaments to your property and advertise amenities.

IGT Tournament Manager provides all the tools you need to increase excitement and streamline tournament administration at your property, all while leveraging IGT's MLD® platform and game themes to maximize revenue when tournaments are not in session.
